*Highly motivated computer science student from matrusri engineering college with a keen interest .
Seeking a summer internship to gain practical experience in developing AI-based solutions and
exploring cutting-edge technologies. Excellent analytical and problem-solving abilities, with a passion for
continuous learning.*

Education

- | | |
|--|--------------------|
| · Matrusri engineering college ,Hyderabad | Nov 2022 - Present |
| Bachelor of Computer Science And Engineering | CGPA: 8.09 |
| · Narayana junior college,dilshuknagar | 2022 |
| Telangana State Board of Intermediate Education | Percentage:87.8 |
| · Neo royal high school,karmanghat | 2020 |
| Board of Secondary Education, State | GPA:10 |

TECHNICAL SKILLS and INTERESTS

Programming Skills: C,Python, Data Structures and Algorithms,OOPS in java,SQL,HTML.

Soft Skills: Problem Solving ,Hard Work,Communication Skills,Critical thinking,

Areas of Interest: Software Development,Technology.

POSITIONS of RESPONSIBILITY

- | | |
|--|---------|
| · CSI Student Member.(Computer Society of India). | 2024-25 |
| · IEI Student membership .(Institution of engineers india). | 2024-26 |

WorkShops

- Brainovision Solutions India Pvt.Ltd internal student workshop on data science using python

Achievements

Java Course Completion Certification From NPTEL.

Java Fundamentals from ORACLE.

Data Structures and Algorithms Using Java - An Interactive Way By INFOSYS

Participation certificate in Code-a-thon conducted by CSI and IEI

Programming using c++ -An interactive way by INFOSYS

Data structures and Algorithms using python _ An interactive way by INFOSYS.

PROJECTS

Designed an interactive , secure and user friendly, software project on “hospital management system”to computerize the front office management of hospital using Html,CSS,PHP files.

Developed An innovative software project to convert a given currency into any other currency,by maintaining the trend of recent market prices using JAVA API concepts.

Work Experience

Worked as an intern in "**Ecovaidya sustainable solutions private limited**" (a startup),where it aims to provide innovate and sustainable solutions to organisations looking to reduce their environmental impacts.

Extra Curricular Activities

I am an Active disciplined and enthusiastic NSS volunteer in the campus ,I have actively participated in ‘say no to drugs’ campaign , ‘blood donation campaign’, ‘traffic awareness program ‘ and many other activities with highly due respect and sincerity.
