Requisition for Summer Training

To whomsoever it may concern,

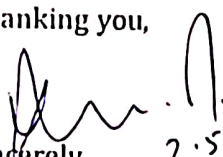

The summer training is part of the curricular requirement at the post graduate level at Loyola College, Chennai. Students who are pursuing their master's degree are expected to undergo an experiential training in reputed institutions in the end of the first year.

Students are expected to complete their Training in order to avail 1 credit that forms a part of the curriculum.

1. To understand their application of their discipline.
2. Apply the knowledge to real life situations.
3. Adapt to the organizational climatic conditions.
4. To understand the profession through the in service training.

We request you to consider Ms. AMANDA P for summer Training programme during May and June 2025 for a duration of 21 working days.. Also while the students return back from your institution they will have to prepare a project report and that has to be certified by you.

Thanking you,

Sincerely,  2.5.2025
