

VARUN NIKAM
Mechanical Engineering (B. Tech.)
Indian Institute of Technology, Kharagpur

EDUCATION

Year	Degree/Exam	Institute	CGPA/Marks
2027	B. Tech.	IIT Kharagpur	8.10
2023	Class XII, HSC	Loknete Subrao Kadam Jr. College, Satara	81.33%
2021	Class X, CBSE	Podar International School, Satara	94.80%

PROJECTS/ COMPETITIONS

ESG Sustainability Investment Challenge | National Finalist | Techfest, IIT Bombay

- Designed portfolio of 5ESG-compliant stocks using Markowitz Analysis, Factor Models and LSTM-based forecasting
- Selected top stocks from the SBI ESG Fund based on sustainability metrics and future financial projections

Open IIT Case Study (Q Po Cabs) | IIT Kharagpur

- Conducted analysis of user & driver behavior to design targeted incentives and UI changes reducing cancellations
- Suggested a multi-layered approach: driver scoring models, fair penalty rules and optimized routing algorithms

Open IIT PM Case Study (Fitpass) | IIT Kharagpur

- Developed detailed user persona and classify feature roadmap to drive long-term retention and app engagement
- Proposed a gamified experience with personalized workout plans and AR integration to increase daily active users

Ops Chronicles Case Study Series | Finalist | IIM Rohtak

- Optimized operations aligning production with market & less cost with stability in competitive electronics sector
- Proposed mixed production strategy reducing inventory costs by 90%, aligning output with demand fluctuations

Dual Axis Solar Tracker | Mechatronics Lab

- Built a Dual Axis Solar Tracker using Arduino, LDR sensors, and servos to boost solar panel efficiency by 20–30%
- Acquired hands-on experience in hardware-software integration, solar tracking, and sustainable energy systems

Tyre Pressure Monitoring System | Course Project | DIY Lab

- Built a cost effective TPMS using Arduino, RF modules, and pressure sensors to display real-time tire pressure
- Enabled wireless alerts for low pressure, enhancing safety using affordable alternatives to commercial systems

POSITIONS OF RESPONSIBILITY

Student Member | Students' Alumni Cell | (Sept'24 - Present)

- Organized the **21st Annual Alumni Meet**, comprising **10+ events** with participation of **300+ distinguished alumni**
- Individually secured **6 out of 20 sponsors** including **monetary sponsorship worth INR 3Lacs+** & ensuring **branding**
- Planned and executed the **Alumni Career Assistance Program** assisting placements of **1800+ final year students**

Student Member | Institute Wellness Group | (June'24 - Present)

- Executed planning of **Welcome Freshers and Buddy Interaction Programme** which reached **1800+freshers**
- Handled the **induction** process of **1800+ freshers** along with team of **40+ member** across 3 days
- Handled the induction program and executed more than **10 events** across year for **16,000 on campus students**

Member | Chess Club, IIT KGP | (Sept'23 - Present)

- Lead a team of **40 Associates** and Promoting chess culture at campus by organizing tournaments like **Open IIT, Freshers' Tournament, and General Championship** with overall **600+ participants**.

EXTRACURRICULAR ACTIVITIES

- Junior Executive Member at NGO- Gopali Youth Welfare Society:** Engaged in fundraising of worth **INR 5 Lacs+**
- Mentor at Physics Wallah:** Guiding **350+ JEE aspirants** through problem-solving strategies and concept clarity
- Crowdfunding Intern at Muskurahat Foundation:** managed outreach and strategy to boost donation campaigns
- Campus Ambassador at International MUN:** promoting global dialogue and expanding student participation
- Vital role in ideating and executing panels for the **Illumination Festival**, showcasing creativity and teamwork

SKILLS & EXPERTISE

- Management Skills:** Event planning, sponsorship acquisition, stakeholder coordination, negotiation
- Technical Skills:** C, C++, Machine Learning, SQL, Data Structure and Algorithms

COURSEWORK INFORMATION

Programming and Data Structures | Computer Graphics (CAD) | Linear Algebra, Numerical and Complex Analysis |
Operational Research | Economics | Advanced Calculus | Environmental Science | General Psychology

AWARDS & ACHIEVEMENTS

- Secured **AIR 4939** in JEE Advanced 2023 (out of 2,50,000 candidates who qualified JEE Main) by conducted by IITG
- Secured **99.26 percentile** in JEE Main 2023 (out of more than 12,00,000 candidates) conducted by NTA
- Chess: Gold Medalist in General Championship'24** and **Silver Medalist in Shaurya'23** Sports Fest of IIT KGP
