INTERNSHIP EXPERIENCE**1. MUSKURAHAT FOUNDATION**

TIME PERIOD: 31 DAYS

My time with Muskurahat Foundation was very insightful as I learned many things from them. Firstly I will mention that this internship is a crowdfunding internship, where we had to collect funds from many people and collect as much as possible as it will help the NGO overall. Muskurahat Foundation is an NGO that deals with providing quality education to children who are not able to receive such benefits. We had many meetings with the NGO's reporting manager, who was also one of the main persons dealing with the overall management of the NGO. He gave us many tips as to how to communicate with people and how to proceed with a conversations with them. I have collected money from my family and from the people in my community. Overall a great experience.
