Brief CV Information:

I am a person of values who would like to contribute to society in the most efficient way. I have done well in academics, cultural events and in sports. I am a dedicated student with a strong background in Humanities which include the subjects: History, Political Science, Legal Studies, Sociology and English. I am an avid reader, averaging about forty to fifty books per year and a passionate artist who has completed the Maharashtra Government drawing exams. I have also done well in sports and am a First Degree Black Belt In Karate. I am known for being positive, energetic, hardworking and patient. I possess a keen eye for detail, strong observation skills and excel as a team player. I have volunteered at NGOs and Orphanages which have enhanced my community engagement. I am very keen to pursue my graduation in Law and have opted for B.A LL.B as a step to achieve my career goals.
