WORK EXPERIENCE (S)	
State Ambassador, NEIMUN (<i>North East India International Model United Nations</i>)	➤ August 2017 – January 2018 Served as a State Ambassador for North East India International Model United Nations (NEIMUN), under the Department of Communications and Public Information (DCPI) to connect with delegates nationwide. As the exclusive representative of NEIMUN in the state, responsibilities include overseeing and executing all outreach initiatives to educational institutions, including schools, colleges, and universities. The primary objective is to extend invitations to these institutions and individuals to participate in the conference, fostering a global platform for talented and motivated students to engage with peers from North East India. This role not only emphasizes effective communication but also underscores the commitment to encouraging social responsibility and realizing the full potential of young leaders.
Information Secretary, Zingtun Tangkhul Katamnao Long (<i>Western Tangkhul Students' Union</i>)	2018-2022 Served as the Information Secretary. Role involved crucial responsibilities in enhancing communication and information dissemination. The Student Union functioned as a pivotal support system for students across different educational levels, spanning from high school to college/university. In this capacity, played a central role in facilitating and addressing the diverse needs of students, ensuring they had a dedicated platform for collaboration, support, and resource-sharing.
Assistant Manager, Facetime Studio	May 2020- June 2022 ➤ Oversaw the comprehensive execution of tasks, encompassing desktop publishing, design, and the delivery of diverse services. ➤ Successfully managed day-to-day operations, ensuring efficient workflow and maintaining high standards of work quality. ➤ Facilitated and conducted basic short-term computer courses for students during summer and winter vacations, contributing to community education. ➤ Collaborated with the team to streamline processes, optimize productivity, and enhance overall service delivery. Acted as a liaison between team members and upper management, ensuring effective communication and coordination.
Project Associate	The Entrepreneurs Associates (tEA) Feb 2023- July 2024 ➤ Part of the Research team that helps and contributed to the formation of Farmers' Producers Organization (FPO) by drafting the Detailed Project Report on the same for 25 FPOs in Nagaland state. ➤ Oversee and monitor ongoing projects undertaken by the organization
