

Manvendra Singh

Jaunpur, Uttar Pradesh | +91 8299502496 | m.s.jaunpur@gmail.com | [LinkedIn](#) | [GitHub](#)

Education

- ❖ **Vellore Institute of Technology, Vellore, TN, India** (Sept 2021 – Jul 2025)
B. Tech - Bachelor of Technology in Computer Science and Engineering
Current CGPA: 8.57

Skills

Technical Skills: Java | Amazon Web Services (AWS) | Cloud Computing | Flutter | Dart | SQL | C/C++ | Machine Learning | Deep Learning | Python | HTML | CSS | MS Words | MS PowerPoint

Soft Skills: Problem Solving | Adaptative | Communication | Leadership | Creative | Decision Making
Collaborative | Team Player | Time Management | Critical Thinking | Presentation Skills

Projects

- ❖ **PixelScan – Deepfake Image Detection** (Mar 2024 – Jul 2024)
- Developed a deepfake detection app using **Flutter**, compatible with both **Android** and **iOS** devices, integrating advanced **Deep Learning Techniques** for robust performance.
 - Implemented a custom **Convolutional Neural Network (CNN)** and an ensemble model combining a novel model **ACNN** (Advanced CNN) with two pre-trained models, **MobileNet** and **Xception**, achieving over **97.89% accuracy** in deepfake detection.
 - Played a significant role in the application development process, ensuring effective integration of the Deep Learning Model with the app interface, and contributed to UI development in **Figma**.
 - Contributed to the design of the Deep Learning Model, supporting the creation of a generalizable approach to enhance detection reliability.
- ❖ **Flash Chat – A Messaging App** ([GitHub Link](#)) (Sept 2023)
- Engineered a real-time messaging application using **Flutter** and **Dart**, powered by **Google Firebase** for backend services. Application runs on both **Android** & **iOS** devices.
 - Enabled users to register accounts securely and log in, ensuring data privacy and authentication.

Professional Experience

- ❖ **Ocean Technologies** ([Certificate Link](#)) (May 2024 – Jul 2024)
Cloud Intern
- Responsible for **AWS S3** buckets by configuring permissions and lifecycles policies; through improved storage policies, data **retrieval time was lowered by 15%**.
 - Conducted data migration projects using **AWS Snowcone**, successfully transferring over **500 GB** of customer data to **AWS S3**, **improving data accessibility by 25%**.
 - Troubleshoot and resolved data migration and storage issues on **AWS S3**, **reducing data error rates by 10%**.
 - Ensured data integrity and security during the migration process using **AWS Best Practices**.

Research Publications

- ❖ **Countering Deepfakes using an Improved Advanced CNN and its Ensemble with Pretrained Models**
- Authored and presented a pioneering research paper at **IEEE ICEEICT 2024**, showcasing a state-of-the-art Deepfake detection model with unparalleled accuracy, setting new benchmarks in the field.
 - Played a key role in conceptualizing, designing, and implementing the detection framework, driving innovation and refining the model. Led manuscript preparation and was instrumental in securing the **Best Paper Award**, showcasing the work's impact and technical excellence. ([Research Paper Link](#))
- ❖ **Deepfake Detection: Emerging Techniques and Evolving Challenges**
- Authored an extensive review paper that was approved by **IEEE IEMECON 2024**, analysing the state of the art in DeepFake detection research and evaluating a range of datasets, algorithms, and countermeasures.
 - Examined the efficacy of various detection techniques, outlining the advantages and disadvantages of each in combating various DeepFake challenges.

Certifications & Certificates

- ❖ **AWS Certified Cloud Practitioner** ([Certificate Link](#))
By Amazon Web Services Training and Certification, Issued: Dec 2023 | Expires: Dec 2026
- ❖ **AWS Certified Solution Architect – Associate** ([Certificate Link](#))
By Amazon Web Services Training and Certification, Issued: Dec 2023 | Expires: Dec 2026
- ❖ **The Complete Flutter Development Bootcamp with Dart** ([Certificate Link](#))
By Angela Yu in collaboration with Google Flutter Team offered on Udemy, Issued: Sept 2023
- ❖ **TCS iON Career Edge - Young Professional** ([Certificate Link](#))
By TCS iON Digital Learning Hub, Issued: Sept 2023
