EDUCATION

MG University

2022-2025

BA Sociology

Relevant coursework: Specialized papers on Sociology of Marginalization and Social Pathology, covering child rights, labor, and developmental challenges.

PROFILE

Passionate and dedicated individual seeking to contribute to child rights, education, and social development through an internship/role at CRY NGO. Committed to leveraging my organizational skill to support CRY's mission of ensuring children's rights and welfare.

VOLUNTEER

As an NCC cadet, I regularly participate in community service initiatives, including visits to childcare homes and old-age homes

SKILLS

- Child Rights Advocacy – Basic understanding of policies like RTE, POCSO Act.
- Community Engagement – Experience working with underprivileged groups.
- Soft Skills – Empathy, teamwork, communication
- Language : English&Malayalam (Read, write & speak) and fluent in Tamil

INTERST

Child psychology, Education equity & Sustainable development
