No:550 Road Street, Endiyur(Po), Tindivanam (T.K), Villupuram (District), Tamilnadu, India

SUMMARY

I am a dedicated Process Engineer with expertise in PCB and SMT technologies, currently seeking opportunities that challenge my technical and interpersonal skills. With a strong focus on quality improvement and defect management, I thrive in team environments where innovative solutions are prioritized. My experience spans detailed reporting, root cause analysis, and the implementation of continuous improvement initiatives, enhancing overall production efficiency.

EXPERIENCE

Senior Executive Engineer 02/2025 - Still now
PCI Autotronics private limited

PCB Assembly, Testing and Inspection Equipments sales and services

- Assisted sales managers with product demonstrations. Prepared presentations on new technological products to customers and business partners. Evaluated sales data and suggested new strategies for selling. Researched market for new products and developed guides for operation of new products. Offered repair services for malfunctioning, nonrefundable products.

Process Engineer || Apple MLB || PCB || SMT 03/2024 - 01/2025
Pegatron India PVT LTD Chennai

Pegatron India specializes in manufacturing technology and quality enhancement.

- Project Leadership for Quality Improvement & Failure Reduction
- Created detailed PowerPoint reports focusing on sustaining and improving SMA (Surface Mount Assembly) and Testing Yields.
- Troubleshoot DEK Screen Printers, improving print yield and achieving optimal production UPH (Units Per Hour)
- Applied quality tools such as FMEA, SPC, and led 8D problem-solving initiatives.
- Led Kaizen continuous improvement projects and analyzed CPK values during NPI projects.
- Conduct root cause analysis (RCCA) to identify underlying issues causing production delays.

Process Technician || Apple MLB || PCB || SMT 01/2021 - 03/2022
Foxconn Hon Hai Mega Development India PVT LTD Chennai

Foxconn is a major player in electronics manufacturing services worldwide.

- Ensured customer satisfaction by monitoring Yield and DPPM.
- Analyzed defect rates, identified trends, and implemented corrective actions.
- Driven the team to meet individual and collective Key Performance Indicators for productivity, quality, and efficiency.

Technician PCB || SMT || EMS 09/2018 - 11/2020
TSMT Technology India Pvt Ltd

TSMT Technology provides specialized technology services in SMT and PCB assembly.

- Applied solder paste onto the PCB and prepared it for component placement.
- Monitored the accuracy of automated machines that place components on the PCB.
- Conducted both pre-AOI and post-AOI inspections on PCBs.

EDUCATION

SSLC 06/2011 - 05/2012
St'Anns Higher Secondary School Tindivanam

HSC 06/2013 - 05/2014
Government Higher Secondary School Endiyur

B.E (ECE) 06/2014 - 05/2018
Mailam Engineering College Mailam

DECLARATION: I hereby solemnly declare that all statements made above are true correct to the best of my knowledge and belief..Thanks & Regards,

STRENGTHS

- Integrity**
Integrity Quality Leadership.
- Problem Solving**
Problem-solving capabilities in Software and Hardware.
- Analysis**
Effective critical analysis in New Product Developments.

LANGUAGES

Tamil	Native	●●●●●
English	Proficient	●●●●●

SKILLS

SKILLS :

- Screen Printer Pick and place AOI & SPI Reflow and Wave Soldering.
- Microsoft Office & PPT Presentation Skills, Documentation.
- Integrity Quality Leadership
- New Product Developments.
- Effective Defect Analysis.
- SOP, Kaizen implementation Procedures.
- Reports and Documentations.
- Problem Solving intense.
- Define machine parameters.
- KPI, Yield improvements.

PROFESSIONAL ENHANCEMENTS :

- Internal Auditor Training – QMS
- ISO Standard
- 7QC Tools
- 6 Sigma
- 8D Problem solving

SMT MACHINES :

- GKG & Dek Screen Printer
- Fuji NXT – Pick & Place
- Sonic & Heller N8 & N10 -Reflow Machines
- Holly & Jutze– AOI Machines

UF MACHINES :

- Anda – Dispensing
- Asymtec – Dispensing
- RS TECH – Dispensing
- Speedline- Dispensing
