EXPERIENCE

Intern | Max Healthcare, Saket

(January'25- January'25)

- Interned under Dr. Sameer Malhotra and a clinical psychologist in the Department of Mental Health & Behavioural Sciences at Max Super Specialty Hospital, New Delhi.
- Observed psychiatric evaluations and therapeutic interventions, gaining insights into clinical practices.
- Administered psychometric tests, including the Rorschach Inkblot Test and Thematic Appreciation Test (TAT), enhancing understanding of personality assessment and case analysis.

Content Head | Muddy Paws Club, JSPC

(September'24-present)

- Managed and documented the club's activities, focusing on pottery as a therapeutic and creative outlet.
- Developed content and promotional materials, including event names and themes, to enhance the club's visibility and engagement.

Researcher | InsightPod, JSPC

(September'24-present)

- Conducts in-depth research for podcast episodes that explore human behavior and societal challenges from a psychological perspective, identifying themes, researching credible guest speakers, and ensuring content quality while exploring interdisciplinary links with psychology.

Event Team Member | The Origins Society, JSPC

(August'24-present)

- Expressed psychological concepts through theatre and writing in various campus events.
- Contributed to organizing and executing events that fostered creative discussions on psychological issues.

Security Team Member | Student Grievances Redressal Cell (SGRC), JSPC

(August'24-present)

- Responsible for ensuring safety and security during events organized JSPC.
- Monitored the premises, handled crowd control, and addressed any security concerns to maintain a safe and orderly atmosphere.

Intern | Ekya Foundation

(December'23-January'24)

- Collaborated with the PR and Fundraising team to drive campaigns aimed at combating hunger.
- Successfully organized and managed outreach efforts, increasing donor engagement and contributions.

House Captain | Unison World School

(June'22-June'23)

- Handled student grievances and ensured active participation in house activities and events.
- Organized and managed inter-school sports events, MUNs, debates, and competitions, achieving notable successes and fostering a strong team spirit.

Senior Editor | The Informant, Unison World School

(August'22-March'23)

- Wrote and edited articles, overseeing the editorial process to ensure high-quality content for Informant, the school newsletter.
- Coordinated with contributors, managed deadlines, and ensured the timely publication of the school newsletter.

Director General| UWSMUN

(April'22-April'22)

- Directed and organized the intra-school Model United Nations, ensuring smooth execution of all sessions and fostering diplomatic discussions.
- Leveraged my MUN participation experience to effectively moderate debates and guide discussions.
- Led the MUN team in planning and coordinating events, engaging students in global issues and enhancing their debating skills.

AWARDS & ACHIEVEMENTS

- Competed at the district level in under-16 and under-19 categories in **lawn tennis**, contributing to team success and honing competitive skills.
- Achieved proficiency in keyboard playing with **Trinity College London Keyboard Level 1**, demonstrating a commitment to musical education and performance.
- Qualified for the national round of the Asian Regional Space Settlement Design Competition (**ARSSDC**) in 2021, showcasing academic excellence.
- Participated in the **ICAN Conference (2019)**, engaging in discussions on international cooperation and nuclear disarmament.
- Completed the **Silver level of the International Award for Young People (IAYP)** in 2021, reflecting dedication to personal development and community service.
- Won 12 medals across four categories—Scholar's Bowl, Collaborative Writing, Team Debate, and Scholar's Challenge—at the **World Scholar's Cup (2019)**.
