New Delhi

CAREER OBJECTIVE

Aspiring public policy professional currently pursuing a Master's in Public Policy and Governance, motivated to apply my academic knowledge in real-world policy settings, with a focus on continuous learning, adaptability, and contributing positively to governance initiatives.

EDUCATION

- ✓ **Pursuing M.A. in Public Policy and Governance**
Dr. B.R. Ambedkar University, Delhi
2024 – Present
- ✓ **B.A. (Hons) Political Science**
Hindu College, University of Delhi, New Delhi
2020 – 2023
CGPA: 6.7
- ✓ **Laxman Public School, HauzKhas**
CBSE (Class XII): 97%

SKILLS

1. **Research & Analytical Skills:** Capable of analyzing complex data and policy issues, with experience using research methods like surveys, interviews, and statistical tools in academic settings.
2. **Critical Thinking:** Able to evaluate multiple perspectives and develop thoughtful solutions to problems.
3. **Time Management & Organization:** Highly organized and efficient in managing multiple tasks, meeting deadlines, and balancing academic responsibilities.

4. **Adaptability & Learning:** Quick to learn new tools, techniques, and frameworks as required by different projects or environments.
5. **Writing & Documentation:** Comfortable preparing academic field notes, reflective essays, and structured reports.
6. **Fieldwork & Observation:** Firsthand experience in collecting and analyzing data in urban marginalized areas like Moti Nagar and SavdaGhevra.

EXTRACURRICULAR / VOLUNTEERING

Volunteered for G-20 summit

- Supported coordination as part of an event volunteer team.

ACADEMIC PROJECTS

Sanitation and Caste in Urban Resettlement

- Conducted qualitative fieldwork in SavdaGhevra as part of an academic project.
- Explored caste-based occupational segregation in sanitation work.
- Documented lived experiences and structural neglect in sanitation infrastructure.

Women, Migration, and Domestic Work

- Studied migrant women working in domestic labor in Moti Nagar.
- Focused on caste, gender, and informal labor market vulnerabilities.

Impact of Red Pill Content, Misogynistic Media, and Influencers on Youth & Women

- Studied the rise of misogynistic digital subcultures and their impact on youth behavior and gender norms.
- Analysed influencer-led content, media narratives, and policy gaps in platform regulation.
- Proposed policy recommendations to counter gendered disinformation and online hate.

AVAILABILITY

Available for internships or entry-level opportunities in the field of public policy, governance, and development studies. Open to learning and contributing to interdisciplinary teams and field-based or hybrid work opportunities.

I hereby declare that the information provided above is true to the best of my knowledge.
