PROFILE

I am a dynamic and detail-oriented professional with a strong academic background in commerce and a deep interest in Marketing, Human Resources, and Finance. I bring strong analytical thinking, creativity, and interpersonal skills to the table—making me well-suited for collaborative and results-driven environments. Passionate about continuous learning, I aim to contribute meaningfully to organizational goals while growing into a well-rounded corporate leader.

EXPERIENCE

Currently seeking my first professional opportunity. I am eager to apply my academic knowledge, strong communication skills, and analytical mindset in a dynamic workplace. I am a quick learner, team player, and committed to contributing positively to any role I undertake.
