ABOUT ME

I am a motivated and detail-oriented psychology student with a strong academic foundation and a keen interest in mental health, cognitive processes, and evidence-based practice. My studies have equipped me with a solid understanding of psychological theories, research methodologies, and ethical principles. I am committed to applying psychological insight to real-world settings through research, clinical experience, or organizational work, and I am seeking opportunities that will support my professional development and contribute to meaningful psychological outcomes.

EXPERIENCE

Fortis Hospital

2023

- Internship under Dr Samir Parikh
- 6 days Internship program at Fortis Hospital Noida

Core Member in Psychology Club in my University
