PROFESSIONAL EXPERIENCE

Support and Care Humanity Foundation Social Media Marketing Intern

Apr 2023 - May 2023

I managed the foundation's social media platforms and digital content, playing a key role in driving audience engagement. I created **SEO-optimized blogs and captions**, aligning the content strategy with the organization's mission of legal advocacy and public awareness. Through strategic content planning and execution, I contributed to enhancing the organization's **digital presence and outreach**.

ConnectWeb3

Jan 2024 - Mar 2024

Legal & News Analyst | Blockchain & Compliance Researcher

Focused on **legal research, news analysis, and regulatory reporting** in the blockchain space. Analyzing crypto regulations, smart contract law, and compliance frameworks, providing insightful legal commentary on the implications of **DeFi, decentralized governance, and data privacy laws**, I collaborated with industry professionals to produce fact-checked, legally sound journalism, offering valuable insights into Web3 policies and digital rights.

Icy Tales

Jun 2023 - Jul 2023

Content Writer

As a content writer, I developed long-form, **well-researched articles** on diverse topics, including technology, media, and law. My work emphasized clarity, coherence, and reader engagement, ensuring each piece was polished and insightful. Additionally, I was responsible for **editing and proofreading content**, refining narratives to maintain high standards of accuracy and readability.
