Summary

I am a dedicated UPSC Civil Services Aspirant with a passion for governance, policy-making, and social impact. My preparation journey has honed my abilities in critical thinking, problem-solving, and time management, enabling me to approach complex issues with clarity and purpose.

Through my rigorous study of subjects like Indian Polity, Economics, International Relations, and Environment, I have developed a strong foundation in analyzing diverse challenges and finding sustainable solutions. Staying updated with current affairs has further sharpened my analytical skills and broadened my understanding of global and national dynamics.

While I may not have formal work experience, my commitment to serving society drives me to explore innovative ideas for inclusive growth and community development. I aim to leverage my knowledge and skills to contribute meaningfully to public administration and policymaking.
