About Me

A 18 years old, I am a proud Delhiite, born and raised in the vibrant capital city as a vivacious individual with a passion for multitasking and interpersonal leadership, I bring a dynamic energy to any team. Outside of work, you can often find me immersed in music, socializing with diverse groups, and expressing myself through the art of dance. Helping others is not just a trait, but a deeply ingrained value that drives my interactions both in and out of the workplace." an adventurous and happy-go-lucky individual, I thrive on trying out new experiences and immersing myself in diverse projects. From creating intricate mandala art to experimenting with delicious baked goods and exploring the latest fashion trends, I bring a dynamic creativity to everything I do. With a natural curiosity and a passion for learning, I eagerly embrace new challenges and opportunities for growth. I excel in multitasking, decision-making, problem-solving, and critical thinking. I approach problems with a strategic mindset and apply critical thinking to develop effective solutions.
