PROJECTS

Economic Growth Prediction in Different Countries

Python, Django, SQL

- Developed a predictive model to analyze economic growth using data on GDP, inflation, employment, and other macroeconomic indicators from multiple countries.
- Applied machine learning algorithms to forecast trends, leveraging Django for web-based presentation of findings.
- Utilized SQL for data management and Python for statistical analysis and model development.

Flight Booking Application

SQL, Python

- Designed and implemented a flight booking application using SQL for backend database management and Python for front-end integration.
- Managed user inputs, booking processes, and transaction data, ensuring the system was efficient and user-friendly.

Hospital Management System

SQL, Python

- Created a comprehensive management system for a hospital, including patient records, appointment scheduling, and billing modules.
- Implemented SQL queries to manage large datasets and ensure data accuracy across departments.

EXTRA-CURRICULAR EXPERIENCE

Student Welfare Office (SWO)

Oct 2022 – May 2025

- Sub head of University Music Committee.
- Participated in various inter-college and intra-college music events, showcasing talent in solo singing, band performances, and choir.
- Actively involved in *Magnificat'23* and *Soundcurry'24*, contributing to their success through dedicated performances.
- Collaborated with fellow musicians to create and perform diverse musical pieces, enhancing the cultural vibrancy of the campus.

Centre for Social Action (CSA)

Sept 2022 – May 2023

- Actively participated in *Drishhti*, the theatre wing of CSA, focusing on social issues and raising awareness through impactful theatre plays.
- Contributed to organizing and executing awareness campaigns, leveraging the power of theatre to educate and inform communities.

National Cadet Corps (NCC)

LCPL, B Certificate

- Completed B certificate with rank of Lance Corporal in the 21Kerala Battalion.
- Developed leadership skills, discipline, and a strong sense of responsibility through training and participating in various NCC activities.
- Engaged in community service, drills, camps, and parades, contributing to personal growth and teamwork.
