Skills & Abilities

MANAGEMENT

I am highly organized and capable of managing multiple academic and extracurricular activities and responsibilities efficiently.I am skilled at prioritizing task and managing my time to meet deadlines and academic demands. I am self motivated and disciplined and always eager to learn new things.

COMMUNICATION

I am a effective communicator,able to express complex ideas clearly through writing and speech. I am a good listener who values others perspectives and responds thoughtfully in academic and group settings.

LEADERSHIP

I am confident in taking initiative,whether it's volunteering for group projects or contributing effectively in discussion.I am collaborative team member who supports and guides peers during discussions and group assignment.I am goal oriented and focused on continuous self improvement both academically and personally.

Experience

I have participated in moot court competition as a researcher which helped me to gain legal writing skills.I also participated in the mediation competition as a council which help to enhance my communication and observation skills.I have participated in the intra trial advocacy as a witness and I have also participated as a investigation officer in crime scene investigation competition.I am ready to learn new things within limited time frame.I also volunteered in a social service campaign during school activities.I am enthusiastic to work for the underprivileged and needy children in the society.
