I am a second-year law student at Symbiosis Law School, Noida, pursuing a B.B.A. LL.B. degree. I am writing to express my interest in joining your esteemed organization.

I have developed a keen interest in criminal and constitutional law in my academic journey. My recent internship at the High Court under the mentorship of criminal lawyer Mr. Nagendra Kumar gave me hands-on exposure to practical experience in court procedures and legal drafting of documents, which I believe will be valuable in contributing effectively to your organization. My skills in research, communication, and legal drafting, along with my dedication to making a difference, align with the objectives of your organization.

I am keen to contribute my time and knowledge to assist in legal awareness campaigns, documentation, and any other area where I can add value. This experience will also help me grow as a socially responsible law professional.

I am a hardworking and dedicated individual committed to applying my legal knowledge to real-world scenarios. My enthusiasm to learn and contribute and my academic background will make me a good fit for this opportunity.

Thank you for considering my application. I have attached my CV for your reference. I would be delighted to discuss my application further during an interview.

I am looking forward to your positive response.

Sincerely,
Shanaya Roy
