Skills & Abilities

MANAGEMENT

I am effective in time management for balancing my academics tasks and extra curricular activities. I handle academic pressure with patience and resilience. I organize my my academic and other work to complete the task within limited time frame.

COMMUNICATION

I speak confidently during class discussions, presentations. I am able to critically analyze situation and able to apply it in my legal writing or speech. I communicate effectively with my classmates and faculty during group discussions and assignments.

Experience

I have volunteered as a bench clerk in intra trial competition.

I have also volunteered in hospitality group during National Moot Court Competition.
