As a first-year law student at National Law University, Delhi, I am in the early stages of building my professional experience, but I bring with me a consistent record of academic excellence and a strong work ethic. I was among the top performers in school, scoring over 90% in both Class X and XII, and held leadership positions such as House Captain and School Prefect. Known for my dedication, discipline, and eagerness to learn, I am now looking to apply these qualities in a legal context by gaining practical exposure and contributing meaningfully to the opportunities that come my way.
