Medi-Caps University, Indore | Btech Computer Science April 2027
Akhila Bhartiya Gandharva Mahavidhyalaya Mandal, Indore | Bachelors in kathak April 2021

EXPERIENCE

Graphic Designer | NTL ventures, Indore, Madhya Pradesh **June 2023-July 2023**

- I was entrusted with the responsibility of translating ideas into visually compelling assets across diverse mediums, including digital and print.
- My role as an intern encompassed the creation of impactful marketing collateral, such as social media graphics, website banners, and email campaigns, and product packaging designs.
- My experience at NTL Ventures not only allowed me to showcase my creativity and technical proficiency but also honed my ability to communicate and collaborate effectively within a fast-paced environment.

Chief Marketing Officer (CMO) | Youvah Club- Sri Sathya Sai Vidya Vihar, Indore, Mp

April 2022- April 2023

- I coordinated with other student organizations and school clubs to cross-promote events and activities, fostering collaboration and community spirit.
- I acted as a liaison between Youvah Club and the school administration, providing regular updates on club activities, achievements, and upcoming events.
- I monitored and analyzed the effectiveness of marketing efforts using feedback surveys, attendance records, and social media analytics to evaluate engagement levels and identify areas for improvement.
- I collaborated with other club leaders and members to gather insights and feedback for refining marketing strategies and improving engagement.

Co-Curriculum Captain of Prabal House | Student Body in school **April 2022- April 2023**

- I lead and organized co-curricular activities and initiatives within Prabal House as well as in collaboration with other house captains, including sports events, cultural festivals, community service projects, and academic competitions.
- I served as a liaison between Prabal House and the student council, representing the interests and concerns of house members and advocating for resources and support as needed.
- I coordinated with faculty advisors and school administration to plan and execute house events, ensuring compliance with school policies and safety guidelines.
- I encouraged active participation and leadership development among house members, providing opportunities for students to take on roles and responsibilities that align with their interests and strengths.

Deputy Editor | Rotary Club, Indore

Dec 2023- Present

- I collaborate with the Editor and other club leaders to develop strategies and initiatives that enhance the visibility, reputation, and impact of the Rotary Club within the local community and beyond.
- I serve as a representative of the Rotary Club communications team at club meetings, events, and activities, promoting our publications and encouraging member participation and contributions.
- I support the Editor in managing communications channels and platforms, including the club website, social media accounts, and email newsletters, to ensure consistent messaging and branding.
- I provide an end of the month report including all major events such as donation drives, collaborations, contributions, etc to the international rotary club.
