As a BCom student at PES University, I am deeply passionate about management, organizations, and international business, constantly seeking to understand how they shape our global landscape. My journey is driven by a commitment to self-progress and the desire to explore and broaden my horizons. A lifelong learner at heart, I thrive on discovering new insights and opportunities for growth. Beyond academics, I am a foodie and music enthusiast who finds inspiration in flavors, rhythms, and the joy of shared experiences.
