COVER LETTER

To

The Internship Coordinator,

Subject: Application for Internship

Dear sir/madam,

I am Tanisha Porwal doing my first year of law in st. joseph's college of law. I currently am in my second semester, which is about to end in a few weeks. We are mandated to intern in an NGO involved in social activities. Your NGO is what I am looking forward to intern in after having a look at your website.

Since my first year is going on, you might imply that I may not be able to keep up the spirit of your NGO. But I promise to work to best ability and keep up with the working mechanism.

I am looking forward to be a part of your Ngo and would like to begin from June.

Hope you could revert back.

Thank you,

Respectfully,

Tanisha Porwal.

THANK YOU
