Subject: Application for Internship

Dear Sir/Madam,

Greetings!

I am Tamanna, a first-year B.A. LL.B. student at St. Joseph's College of Law, Bengaluru. I am writing to express my interest in interning with your organization starting in **June**.

Though new to the legal field, I am passionate about social justice and eager to learn through hands-on experience. I admire CRY's commitment to ensuring every child's right to education, health, safety, and participation, and I would be grateful for the chance to contribute in any way I can—be it outreach, awareness work, or support tasks.

If chosen for an internship with CRY, I aim to contribute meaningfully by combining my academic background and interpersonal skills with a deep sense of social responsibility. I believe in the power of structured advocacy and grassroots-level impact, and I'm eager to support CRY's efforts through research, outreach, and awareness initiatives. I hope to assist in designing and implementing campaigns that amplify children's voices, and ensure their rights to education, safety, and opportunity are upheld. More importantly, I see this as a learning opportunity—to understand the realities on the ground and to grow into a more empathetic, socially conscious individual who can contribute meaningfully to long-term change.

I've attached my CV for your kind consideration. I look forward to the opportunity to learn and contribute in any way I can.

Thank You,

With warm regards,

Tamanna Mahajan
