PROFILE

Dedicated and empathetic Social Work student with hands-on fieldwork experience in community development, child rights, and awareness generation. Skilled in leadership, translation, outreach, and documentation. Passionate about working with marginalized communities and contributing meaningfully to grassroots development through field engagement and collaborative learning.

WORK EXPERIENCE

Fieldwork Experience

1. Community Observation & Awareness Campaign

Mogha Khurd Village, Maharashtra – 1 Month

Observed village governance and development indicators.

Conducted awareness events on education, sanitation, and hygiene.

Acted as translator and team leader in a multilingual setting.

2. Community Engagement & Project Implementation

Yuvagram Vikas Mandal, Beed (Kaij Taluka)

Led team communication; translated Marathi for out-of-state peers.

Supported Safe Drinking Water Project through community visits and social mapping.

Implemented UNICEF's Saksham Project in 22 villages: organized rallies, street plays, human chains, and hosted awareness sessions.

Created scripts, trained peers in local language, and conducted awareness events in schools and hostels.

Contributed to three project reports and administrative support.

3. Skilling, Outreach & Administrative Support

Lighthouse Skilling Center, Chinchwad, Pune – Ongoing

Conducting community outreach and tele-calling for skill program enrollment.

Supporting center operations and documentation work.
