Profile Summary

I am a second-year student at the Tata Institute of Social Sciences (TISS), pursuing a Bachelor's in Social Sciences. A passionate traveler, photographer, and social innovator, with a strong background in web development and policy implementation. Co-founder of **Sanchar (ELIN)**, a platform aimed at bridging communication gaps among entrepreneurs. Currently developing software solutions to facilitate communication and policy execution in collaboration with the **Government of Maharashtra**. Enthusiastic about solving grassroots challenges through technology and research-driven social interventions.
