About Me

A passionate and creative 3D artist with hands-on skills in Autodesk Maya and graphic design. Strong interest in modeling, texturing, and visual storytelling. Eager to learn from real-world industry projects and contribute to innovative design work. Quick learner, team player, and highly motivated to grow in the field of 3D animation and visual media.

Work Experience

3D Modeling – Personal Projects

- Practicing 3D modeling using Autodesk Maya by creating basic objects, props, and characters
- Practiced UV unwrapping, basic rigging, and rendering using Arnold
- Following online tutorials to improve skills in topology and scene setup

Graphic Designer

- Created poster and logo design concepts as part of personal learning
- Practiced layout design, typography, and color theory using Adobe Photoshop
- Designed mockup posters and event banners for fictional events

Technical Skills

Adobe Illustrator
Adobe Photoshop
Adobe Premiere pro
Adobe Animator
Maya
Sketchbook
MS Word
MS PowerPoint
