PROFESSIONAL SUMMARY

A dedicated and passionate leader committed to fostering youth empowerment, advancing child protection, and transforming education. Over time, I have discovered my life's purpose: supporting young people and women to realize their potential and advocating for systems that ensure their safety, growth, and learning. I have led multiple initiatives focused on re-enrollment in schools, awareness generation, and inclusive education, while creating safe and supportive spaces for youth to thrive.

With 10 years of experience in education and youth empowerment, I understand how schools function and what truly engages students. I've built strong networks with educators and have successfully designed and delivered impactful school programs. My passion lies in promoting truth, well-being, and inspiring young minds to create real, lasting change.

Key Achievements

- Awarded a prestigious global fellowship by UNESCO for an educational program focused on advancing the Sustainable Development Goals through inclusive learning.
