

MYRA JAIN

HIGH SCHOOL FRESHMAN-((Incoming 9th Grader))

JBCN International School, Parel

Driven by passion and the love of learning, I chase my dreams both on the field and beyond. Football taught me teamwork, discipline, and ambition — leading me to proudly earn a spot at the Barcelona Academy in Mumbai. Music taught me patience, creativity, and rhythm — learning guitar for over three years has shaped how I approach challenges. Whether it's mastering a new chord or leading a team to victory, I believe growth comes from curiosity and hard work. I'm especially excited to take on new challenges, meet new people, and grow skills that will help me in the future — both in academics and in my dream of becoming a successful entrepreneur

EDUCATION

2015 - 2023

ST. Anne's High School, Fort
