As a second-semester B.B.A. LL.B. student at Amity University, Kolkata, I have actively engaged in co-curricular activities alongside my academic curriculum. My participation includes volunteering with Entrepreneurship Club and contributing to event organization and student engagement initiatives. These experiences have helped me develop skills in communication, teamwork, and time management. I am eager to apply my growing legal knowledge in a practical setting through an

internship, with a strong interest in gaining hands-on exposure to the legal field and understanding its professional demands. I am looking forward to intern at Ngos and Law firms as research assistant or volunteer given the opportunity.
