Program Manager of a cutting-edge **STEM and learning platform** serving **260+** schools across **India**

Work Experience

Program Manager I | STEMplify

Jun'24 – Present

- Spearheaded a nationwide STEM and learning platform impacting 260+ schools, demonstrating a strong commitment to expanding educational access across India
- Developed and tracked key performance indicators to measure program effectiveness, and implemented process improvements resulting in a 25% increase in operational efficiency, ensuring optimal use of resources to maximize program impact on students and schools.
- Collaborated with senior leadership on strategic and operational planning, ensuring alignment of initiatives with organizational goals and mission to improve educational outcomes.
- Established standardized processes across teams, leading to consistent program delivery and quality learning experiences, while also managing logistical, operational, and financial aspects of national events.
- Led a 10-member team in the successful execution of impactful events, fostered a collaborative environment, and oversaw the end-to-end development of STEMplify kits, program materials, and vendor negotiations.
- Contributed to the development of program materials, ensuring they were engaging, educationally sound, and aligned with program goals to facilitate effective learning.

Director | SuryaDay

Jan'20 – May'24

- Streamlined operations to reduce costs and increase organizational efficiency and productivity, ensuring resources were maximized for project impact.
- Managed cross-functional teams for the timely execution and delivery of projects, ensuring project goals were met effectively.
- Ensured the allocation of budget for all available resources in a cost-effective manner, demonstrating financial responsibility.
- Built and maintained strong relationships with clients through consistent communication and feedback, ensuring project alignment with stakeholder needs.

Project Associate | SuryaDay

Jan'19 – Dec'19

- Worked alongside management to develop project execution strategies to increase productivity and achieve project objectives.
- Coordinated with teams to ensure projects were delivered on time, demonstrating strong organizational and time-management skills.
- Handled all documentation related to projects and client relationships, and provided timely resolution to issues.

Project Execution | Hellios Services

Aug'16 – Dec'18

- Managed operational performance, streamlining processes for cost-effective project execution
- Served as the primary point of contact between clients and the team, demonstrating effective coordination and communication skills.
- Adhered to project deadlines and delivered projects on time.

Additional Experience
