Dear Sir / Madam,

I am writing to express my keen interest in the internship position as advertised. With a strong passion for environmental conservation, social justice, and community welfare, I am eager to contribute my enthusiasm and skills to your esteemed organization.

I am currently pursuing a BBA.LLB (H) at Sister Nivedita University, where I have cultivated a solid foundation in leadership, event organizing, team coordination, communication, and volunteer work. I believe these skills align well with the goals and initiatives of your organization.

In addition to my academic background, I have gained practical experience through active participation in volunteer activities. I have taken part in donation drives involving the distribution of books, clothes, and hygiene products to those in need. These experiences not only strengthened my sense of empathy and social responsibility but also enhanced my understanding of the challenges faced by underprivileged communities.

I am enthusiastic about the opportunity to work with a team of professionals who are equally committed to making a positive impact. I am confident that my proactive attitude, adaptability, and eagerness to learn will enable me to make a meaningful contribution to your team.

Thank you for considering my application. I would welcome the opportunity to further discuss how I can support your mission and contribute to your ongoing efforts.

Looking forward to a positive response.

Warm regards,
Triparna
