riyakhanna038@gmail.com

I am a BCom Honours 3rd-year student with a strong interest in finance, seeking internship opportunities to gain practical experience. Having acquired extensive theoretical knowledge, I am eager to apply my skills and contribute effectively in the finance industry. Passionate and motivated, I aim to leverage my academic background in a dynamic financial environment.

Education

- **CFA LEVEL 1 Cleared**
- **University Of Delhi** (Currently Pursuing)
B.Com Hons

As a member of the **Event Management Team** within the **Creativity, Innovation, and Entrepreneurship (CIE) Cell**, I have honed my skills in organizing and executing events that drive innovation and creativity. Additionally, I contributed to the **PR Department** of **COMSPECT**, the commerce society of my institution, where I further honed my public relations skills

- **KDB Public School** (Higher Secondary Education)
Commerce

Achieved 97.4% in my 12th class and received a full-year scholarship based on my performance in 11th class. During this period, I acquired essential skills in financial analysis, management, and economic principles, which have been foundational for my further studies and career development.
