About me

I am a compassionate 17-year-old high school student with a strong academic record and a proven commitment to community service. Seeking a volunteering opportunity at Child Relief and You, to contribute to the work undertaken by the NGO towards the betterment of the less privileged children. I am passionate about leveraging skills and interests to support children and make a tangible difference.

Education

Delhi Public School, Sector 45, Gurugram, Haryana | [Class of 2024-25]

- **Grade 12 Percentage:** 91%
 - **Grade 10 Percentage:** 92%
 - **Academic Achievements:**
 - Graduated with a Blue Tie (Grade 12) and grade 10th
 - Recipient of multiple Scholar Badges across grades for consistent academic excellence
-

Volunteer Experience

Teaching Volunteer | Shiksha Kendra (CSR initiative of Delhi Public School, Sector 45, Gurugram, Haryana) | [2025]

- Provided teaching support to underprivileged students, helping them improve their academic understanding and skills.
- Actively engaged with students to create a supportive and encouraging learning environment.

- Developed strong communication and interpersonal skills by interacting with diverse groups of students and understanding their unique learning needs.
-

Interests & Aspirations

- Deeply interested in understanding and working towards systemic changes that promote equitable and dignified coexistence for people from diverse socio-economic backgrounds, with a specific focus on education, basic amenities, and internet access.
 - Passionate about learning about Japanese culture, enjoy Manga and Anime storytelling and art formats.
 - Dedicated pet lover who actively spends time caring for stray and abandoned animals.
-

Skills

- **Academic Excellence:** Strong analytical and problem-solving abilities.
- **Communication:** Clear and empathetic communicator.
- **Interpersonal Skills:** Ability to connect with and understand diverse individuals.
- **Compassion & Empathy:** Strong desire to help others and make a positive impact.
