LIVE PROJECT				4 Weeks	
Finance Intern		FinPro Wealth		Finance Intern	
Responsibilities		• Learned core stock market concepts, including fundamentals and investment strategies. • Interpreted financial data and valuation metrics of Greenlam Industries and KPI Green Energy and compiled detailed research reports on both companies forecasting future stock targets.			
INTERNSHIP				13 Weeks	
HR Intern		Neptune Foundation		HR Intern	
Responsibilities		• Coordinated donation drives mobilizing resources, benefiting the underprivileged communities. • Assisted in hiring processes, including handling screening and onboarding process of interns. • Engaged 50+ schools, driving a 30% participation rate in the social awareness campaigns.			
POSITION OF RESPONSIBILITY					
Coordinator - IPM Placement Committee, IIM Jammu		• Handling planning and execution of internships and live projects for 300+students. • Achieved 100% internship placements for the corporate internship of 130+ students. • Planning and executing multiple Placement drives handling on ground operational activities. • Acting as a liaison between students and administration for all placement related activities and between the students and recruiters for efficient interview processes and feedback.			
ACADEMIC PROJECT					
Financial Literacy Pitch – Nipun (निपुण)		• Conceptualized and pitched Nipun (निपुण), a financial literacy initiative with tailored programs for school students (Grades 9th to 12th), housewives, and young professionals. • Designed structured curricula and proposed a go-to-market strategy including school outreach, community engagement, and digital enrollment plans. • Aimed to address the lack of financial education in India through a research-backed, practical model promoting real-world money management skills.			
SponSure-Business Strategy & Platform Development		• Ideated, built, and launched "SponSure", a sponsorship matchmaking platform connecting college events with brands through a seamless, data-driven, and accountable experience. • Developed the complete business model—including website design, branding (logo, tagline), revenue model, and legal framework—addressing key industry gaps in transparency and reliability.			
Simulation analysis project of gym on campus		• Analysed data from 60+ students on workout types, machine usage, protein intake, and time spent to develop a gym activity simulation model in Excel. • Evaluated simulation results to support the transfer of idle machines to the other campus and advocated for new equipment where usage was high. Offered insights on protein supplement trends, leading to increased sales opportunities for nearby vendors.			
ACHIEVEMENTS					
• Ranked 3rd out of 1100+ teams at VentureX- Global investment insignia, by Shaheed Sukhdev College, DU. • Secured National Finalist (Top 9) spot out of 960+ teams in Case-tas-Trophy by IIM Kozhikode. • Scored 99/100 in Business Studies in Class 12th board exams and was the subject topper in school.					
EXTRACURRICULAR ACTIVITIES					
• Participated in MarksMen 3 - Strategy Case Competition by UPPCB x IIM Lucknow and Markovista by IIT Kanpur. • Participated in the Management Skills Competition, Business Saga - Corporate Roadies.
