### About Me

---

A highly motivated and creative Graphic Designer with a strong passion for visual storytelling and design aesthetics. Possessing a solid foundation in design principles, typography, and colour theory, I am equipped with the technical skills necessary to create visually appealing and engaging designs.

I am proficient in industry-standard design software, including Adobe Creative Suite (Photoshop, Illustrator, and InDesign), and have a solid understanding of design principles for both print and digital media.

### Professional Experience

---

#### Pramara Promotions | Junior Graphic Designer

Sep 2023 – Dec 2023

Key responsibilities:

- Experienced in digital design, crafting engaging graphics for websites, social media, and digital advertisements to enhance online presence and engagement.
- Proficient in selecting and manipulating typography to create visually appealing designs that effectively communicate the intended message.
- Expertise in image editing and retouching techniques to enhance the quality and visual impact of photographs and graphics.
- Skilled in layout design, arranging visual elements in a cohesive and aesthetically pleasing manner to optimize user experience and readability.

#### DIDI India | Graphic Design Intern

Apr 2023 – Jun 2023

Key responsibilities:

- **Assisting in Design Projects:** Collaborating with the design team to assist in creating and executing various design projects.
- **Responsive Design:** Ensuring websites are responsive and optimized for various devices and screen sizes.
- **Visual Design:** Creating visually captivating designs for websites, including selecting colour schemes, typography, and imagery.
- **Image Editing and Manipulation:** Assisting in editing and enhancing images, retouching photographs, and creating composite visuals as required for design projects.
