OBJECTIVE-

I'm a first year law student, deeply motivated and goal oriented. I have a passion for learning more, gaining knowledge from everyday events. I am equipped with excellent analytical skills, communication skills, diligence and paying attention to details is one of my strongest suits. I am enthusiastic to apply my skills and knowledge to real-world legal settings. As I am a first year law student, I'd like to gain practical knowledge in real-life legal settings, contribute to such settings valuably and increase my knowledge on the subject.
