INTERNSHIP			
Kshitiksha Foundation – Content Writer		[4 weeks, March – April 2024]	
In this role, I developed and executed content strategies to support the NGO's mission . My key contributions included:			
○ Fundraising Support: Created engaging social media posts and shared it across different social media platforms to raise donations. Successfully managed donor relations by coordinating receipt distribution and tracking contributions. ○ Mental Health Advocacy: Created informative content focusing on mental illness and suicide prevention, helping to raise awareness and promote accessible resources for affected individuals. ○ Environmental Conservation: Wrote compelling articles on the importance of planting saplings, aiming to encourage community involvement in reforestation efforts. ○ Animal Welfare Campaigns: Created essays for generating awareness on animal welfare by emphasizing the benefits of daily animal feeding, inspiring community participation in compassionate acts for stray animals.			
PROJECTS UNDERTAKEN			
Directing & Leadership (Fundamentals of Management)	Term Paper [2023]		
	○ Conducted in-depth research on organizational directing, leadership styles, motivation, and employee engagement. ○ Analyzed real-life case studies and surveyed 120 individuals to evaluate leadership effectiveness and preferences. ○ Assessed the role of formal and informal leaders in achieving organizational goals. ○ Proposed strategic recommendations for enhancing leadership impact in modern business environments.		
Workforce Diversity (Accenture)	Research Paper [2025]		
	○ Conducted comprehensive research on Accenture India's diversity and inclusion strategies across gender, LGBTQ+, disability, and cultural representation. ○ Analyzed policy effectiveness and workforce data to evaluate the impact on employee engagement, innovation, and business performance. ○ Compared Accenture’s initiatives with peers (TCS, Infosys, Wipro) to benchmark diversity practices in the Indian IT sector.		
Understanding Anxiety (Emotional Intelligence)	Research Report [2024]		
	○ Explored the psychological, biological, and social dimensions of anxiety disorders such as GAD, Panic Disorder, and Social Anxiety. ○ Analyzed symptoms, triggers, and impacts of anxiety on emotional intelligence, including self-awareness and social functioning. ○ Evaluated prevention strategies and coping mechanisms such as mindfulness, social support, and cognitive-behavioral techniques. ○ Emphasized the societal and policy-level implications of mental health care access and emotional wellness education.
