SQL, MS Excel, Python.

Experience

Product Analyst Intern, Trustt(Novopay) – Bangalore, KA June 2024 - December 2024

- Led the design and implementation of an API to verify user names against PAN card data, **increasing successful verification** rates by **25%**.
- Implemented a solution to **mask Aadhaar numbers** in Officially Valid Documents (OVD), achieving a **95%** successful masking rate while ensuring full compliance with RBI guidelines and strengthening fraud prevention.
- Spearheaded the development of an **Aadhaar QR code scanner API** to extract data from various Aadhaar formats, improving onboarding efficiency by **30%** and enhancing fraud prevention through precise data handling.
- Managed the implementation of an API to identify individuals under **Section 206AB of the IT Act**, **automating higher TDS rate** application for non-ITR filers and ensuring compliance with tax regulations.
- Collaborated with the Data team to develop internal **dashboards** for tracking product performance.
- Analyzed key **metrics** to identify areas for improvement, providing actionable insights to enhance product offerings.

Projects

Case Studies

- **GST Transaction Report** :Led the research for a system to generate comprehensive financial health reports for businesses based on their GST transactions. Providing key insights and year-on-year comparisons, enabling better evaluation of business performance and financial stability.
- **Blockchain KYC** : Led a project to assess the use of blockchain technology for securely storing KYC data, with the goal of streamlining the onboarding process and enhancing fraud prevention measures. Explored decentralized solutions to improve data integrity and regulatory compliance.
- **Name Matching** : Improved the accuracy and efficiency of the Name Matching API to deliver more precise results, enhancing fraud detection capabilities and reducing false positives during the identity verification process.

Education

IIT Roorkee, BTech in Chemical Engineering

- GPA: 7.8

Nalanda Academy, Intermediate(12th)

- Percentage: 90

DPS Gwalior, Matriculate(10th)

- GPA: 10.0
