BACKGROUND

Born in Kolkata and raised in Assam, I am a second year, third semester Psychology undergraduate student with a natural curiosity for understanding the wonders of this subject. My journey into Psychology has been driven by a passion for unraveling the intricacies of the human mind. Beyond academics, I enjoy reading, writing and exploring creative pursuits like cooking, baking, photography and gardening which reflects my multifaceted personality. With a strong academic foundation and a drive for research, I am eager to work on projects that will deepen my understanding and help me grow as well as contribute to advancing the field of Psychology.
