A dedicated law student at Symbiosis Law School, Nagpur, just completed my first year, now gearing up to enter the second with fresh goals and experiences ahead, trying to build my academic journey and gain legal practice.

EXPERIENCE

JULY 2024-
DEC 2024

FIRST YEAR, FIRST SEMESTER

In the first semester, I studied foundational subjects like legal method, sociology, history and political science. Through these courses, I developed essential skills in legal reasoning, critical thinking, academic writing, research and effective communication.

JAN 2025-
MAY 2025

SECOND SEMESTER

I studied Law of Contract, Legal Language, Economics and Political science in the second semester acquiring skills such as contractual analysis, legal drafting, analytical thinking, research and citation and public speaking and argumentation.

EDUCATION

SCHOOL

DELHI PUBLIC SCHOOL, RUBY PARK, KOLKATA

Participated in inter school debate competitions during class 12, representing DPS Ruby Park. Gained recognition for strong argumentation, clarity of thought, and confident public speaking.

COLLEGE

SYMBIOSIS LAW SCHOOL, NAGPUR

I successfully completed foundational law subjects with strong academic performance. I participated in internal moot court competitions in college as well.

SKILLS

- Proficient in researching case laws, statutes, and academic resources using databases like SCC Online, Manupatra, or JSTOR.
- Capable of drafting case briefs, legal opinions, and research notes with clarity and structure.
- Skilled at identifying legal issues, applying relevant laws and forming logical argument.
- Familiar with drafting simple legal documents such as contracts, notices and legal letters.

ACTIVITIES

Participated regularly in organizing and executing cultural events and activities. Developed teamwork, event management and leadership skills while contributing to campus life and student engagement.
