EXPERIENCE

Volunteer work

Rotary Club of Calcutta Acropolis

2022 - Till date

- As a Rotary volunteer, I conducted menstrual health and hygiene education workshops in rural villages for women and young girls. Our initiatives included installing a sanitary pad vending machine to improve product accessibility and providing practical demonstrations on proper usage to enhance community health practices.
- I am a part of project renovating the Nirod Boron High School. We do work in regards to upgrading classrooms, constructing women's toilets, providing essential school supplies and organizing recreational activities for students.
- I have written workshop reports (english) on field visits.
- I have also done designing work including writing and designing brochures banners and presentations on different topics.

JAAGO

2025 - ongoing

- JAAGO focuses primarily on the education of children living in Calcutta's red light areas.
- As a JAAGO volunteer, I am a part of content creation, social media team and event management. I create content like posters, social media posts, blog writings pertaining to different fundraisers and events to raise awareness. I use graphic designing skills to help with creative work like creating logos. I also help in management of said events.
- I visit the children during field visits and conduct lessons on English and mathematics.

Muskurahat Foundation

2025 - ongoing

- Summer intern at Muskurahat foundation for a month long crowdfunding internship

Teach for India

2025 - ongoing

- As a dedicated Teach For India volunteer at Loretto Rainbow (afterschool program of Loretto school), Kolkata, I help develop lessons and deliver engaging lessons focusing on essential subjects like reading, grammar, mathematics, science and arts. I incorporate interactive activities like storytelling and worksheets to create an enjoyable learning environment while fostering meaningful connections with my students.

Head Editor of Bengali Editorial Board

2023 – 2025

Modern High School For Girls

- As head editor of the Bengali editorial board at my school, I oversaw the publication of quarterly digital newsletters. I led initiatives to produce the first physical editions of the publication and successfully expanded our readership. My responsibilities included carefully selecting literary works, editing and proofreading all content. I also collaborated closely with the design team to create illustrations and layouts that complemented each unique piece of writing.

EXTRACURRICULAR ACTIVITIES

- **Artistic Skills:** I have learned drawing and painting from a very young age. I have participated in different competitions. I enjoy dabbling in different art forms like sketching, folk art, comic illustration and painting.
- **Culinary Skills:** Cooking is one of my greatest passions. I enjoy both baking and cooking. My specialisation lies in traditional Bengali cuisine and baking.
