Academic Projects

- Conducted a research project based on the 'Role of cultural influences and social class on consumer behavior' considering the diversity of the Indian Landscape.
 - A detailed study on 'Danone and its failure in the Indian market', and consequently, some strategies that could have been adopted by the company.
 - Impact that the culture has in organization, carried out with the use of Godrej and its practices as a focal point. Analysis of the values and culture followed by the Godrej Group.
 - Conducted an in-depth survey (with a base of 25 respondents) to understand the impact of Social Media on the psychology and decision making of teenagers.
 - Created a brand from scratch; worked on creating the brand's integrated marketing communication and various efforts that it would have to take to make its presence known.
 - A thorough analysis of Zomato and its promotional efforts. The various tools and mechanisms that they employ to gain maximum traction.
 - An in-depth survey on the consumer perception of Dove and its 'Real Beauty' campaign.
-
