PERSONAL PROFILE

Hi, I am a dynamic first year business administration student with a passion for exploring diverse fields and embracing new challenges. Actively competing in various competitions, I leverage my skills in communication, critical thinking, teamwork, and creativity to deliver results. With strong organizational abilities and a flair for problem-solving, I excel in dynamic environments. As a pageant winner, I bring confidence, adaptability, and poise to every endeavor, combining my zest for life with a drive for personal and professional growth.

ACTIVITIES

- Hosted events as part of the rhetoric club
- Helped raise money for the muskurahat foundation
- Won in speaking triathalon as the only undergraduate team
- Competed in venture capital and generated a total profit of 4000
- Member of the cultural club
- Won Miss Teen Confident 2024
- Miss Teen India 3rd Runner Up
- interested in gaining more work experience and improving my skills.
