JOB REFERENCE: INTERN

Respected Sir/Madam,

I am writing to express my keen interest in a 4 week summer internship opportunity at your organisation, CRY NGO, Kolkata . I am currently a second-year student pursuing Bachelor of Architecture at Amity School of Architecture and Planning, Kolkata.

As an architecture student, I offer skills in spatial planning, design thinking, and sustainable practices. I can create clear visual presentations and assist in documentation or awareness campaigns. My teamwork, research abilities, and community-focused mindset make me a valuable contributor to NGO projects.

With proficiency in visual communication, I can effectively support awareness initiatives and learn more about community-driven environmental efforts. I am genuinely interested in your NGO's work and would be grateful for the opportunity to contribute and grow through this internship, and use that in the field of architecture in my future endeavours.

Sincerely,

Suhani Das.
