EXPERIENCE:

I have worked as part of a group for multiple projects both inter and intra setting and this was mostly in debates in which I helped with the research. I have also played sports in both individual and group categories by which I have gained the traits of leadership, communication and working under pressure. I have attended the VSO Conference that was held by and at Manipal this year.

EDUCATION:

- **Legacy School — Secondary**

2019-2021

- **NIOS, Bangalore — Senior Secondary**

2021-2022

PROJECTS:

Individual Research paper on the topic of “should countries be open to migrant families?”. 10th grade.

Group Debate on the topic of “whether the LGBTQ+ community need more rights in India?” in 11th grade.

Group lead for project on “ Strengthening International Laws on Media: Ensuring Protection of Freedom of Speech & Preventing Stereotyping of Gender.” Second semester of Law School.

Co- Curricular and Extra Curricular:

1. Artist for school event of annual day, where I had to use both my skills as a leader and artist to delegate work to other teammates and had to set up stalls for everyone's work and pieces.
2. Helped as an usher in the seniors farewell party, where I had to interact with parents and fellow students to make sure everyone was seated and the

SKILLS:

1. Team player, worked on multiple projects i had to manage and work in a group setting.
2. Listener, if in a group setting I make sure that everyone in the group has their say and make them feel included and needed.
3. Open Minded, I am open about different peoples opinions and views on their ideas and how they view the world.
4. Leader, had multiple roles in both sports and academia where I had to teach, assign roles and delegate work to people.
5. Research, the latest project pushed me outside my comfort zone as it required me to do first hand research and not rely on already published materials. It helped me in communicating at a professional level as I was talking to highly qualified individuals in their own respective fields.

AWARDS:

1. Played and trained for Basketball under the club of Southern blues.

program went well.

Hobbies:

Playing basketball, working with people and playing games, research.

Work experience:

Diya foundation (NGO): was given an opportunity in learning how the world treats differently abled both physically and mentally citizens of our country and how this NGO was trying to provide these people with job opportunities by teaching them essential work place ethics and manners.

Advocate Abhinag. S: was provided an essential introduction to how a lawyer and courts functions, as I saw how to interact with clients and judges, and the basic understanding of how legal language is used in a court.

Advocate Jojo George: I was provided with the opportunity to see how a small issues Court functions along with the help of many case files and case laws which helped me in grasping the legal concepts mentioned much better.

2. Won medals for relay and 800 meters inter and intra school level.

3. Won medals and certificates for basketball tournaments.

4. Won certificates for debate competitions in the intra level.

LANGUAGES: English, Hindi and Malayalam
