EDUCATION

- MBA in Health Care Management and Hospital Administration, Jamia Hamdard, New Delhi, 2025
- Bachelor of Science, IT College, Lucknow, 2022
- Intermediate, Mount Carmel College, Lucknow, 2019

WORK EXPERIENCE

Research and Development Intern at Getac

October 2024 – April 2025

- **Description:** As an R&D Intern at Getac, I conducted market research and engaged with drone manufacturers to promote our Ground Control System, gaining practical experience in client outreach, data management, and corporate communication in a tech-driven environment.
- **Roles & Responsibilities:**
 - Conducted market research and built a structured database of drone manufacturers.
 - Coordinated outreach, pitched Ground Control Systems, and facilitated client meetings.
- **Skills:**
 - Market analysis, client communication, and independent project execution.

Medical Administrative Intern at Fortis

June 2024 – July 2024

- **Description:** As a Medical Administrative Intern, I ensured smooth administrative operations in a fast-paced healthcare setting, gaining hands-on experience in patient interaction, medical records management, and regulatory compliance—laying a strong foundation for a career in healthcare administration.
- **Roles & Responsibilities:**
 - Managed patient appointments, records, and front-desk operations, ensuring NABH compliance.
 - Oversaw administrative operations and contributed to policy implementation and regulatory adherence.
- **Skills:**
 - Interpersonal, organizational skills and problem-solving abilities.
 - Proficiency in healthcare systems, with emphasis on ethics, confidentiality, and adaptability.

SKILLS
