WORK EXPERIENCE

Intern with Finlatics

05 Jun 2023 - 31 Aug 2023

- Was a part of the IBEP programme that primarily focused on investment banking, private equity and venture capital.
- Attended multiple live discussions on various projects discussing the nitty-gritties of investment banking and private investment.
- Brain-stormed and analysed the success rate of a business model based on its internal management, market analysis and accounting ratios.
- Done an Ed-tech business's SWOT analysis, examined its technological progress and calculated milestones for convertible note conversion rate and customer related dynamics such as acquisition cost, customer lifetime value and net profit.

Intern with Sthaapith IP Solutions

24 Feb 2025 - 24 Mar 2025

- Assisted an advocate in identifying Trade Mark oppositions in the Trade Mark Journals for 4 weeks besides scouring contact information regarding the owners of the original Trade Marks.
- Attended meetings to understand the procedural nuances relating to the same besides any exceptions one was to make during the process.
- Built a sense of familiarity with the using the Trade Marks Journal for references, navigating the Public Search cite to find analogous trade marks and the using the e-Register to find all the necessary details regarding the owners of the original Trade Marks.
- Was also successful in finding a loophole the search system to find the owners of unregistered Trade Marks.
- The internship served as a platform for me to not only understand the general level of awareness among ground-level businesspersons but also to build a sense of relative expertise in basic workings of the IP Registrar when it comes to finding oppositions.

PAPER PRESENTATIONS:

- **7th GNLU International Conference on Economic Analysis of Law, Governance & Public Policy:** Co-authored and presented a research paper on "Economics and Antitrust Laws - An Economic Analysis of Penalties on Relevant and Total Turnovers".
