Email: steenaantony14@gmail.com**Mobile** : 9995800949 & 8921955017**CAREER OBJECTIVE**

With enthusiasm or achievement, I would like to be part of an organisation which would cater me with all the requirements for my career growth and give me a platform to prove my ability with at most commitment.

Seeking a challenging environment that encourages continuous learning and providing exposure to new ideas, which stimulates professional and personnel growth. I want to serve as a professional Teacher to this society to build children for a better world.

I have 9 years of experience in teaching. I can handle Biology and Environmental science till grade 12 and basic science.
